

# The New Robert Blake Whitehill Thriller

## DEADRISE

### A Ben Blackshaw Novel

Former S.E.A.L. Ben Blackshaw dives for oysters in the frigid Chesapeake Bay for a living. He discovers a recently-wrecked speedboat mired on the bottom. It's carrying millions in gold bullion, a 24-hour dirty bomb ticking down to zero, and the body of a man that Blackshaw has not seen in fifteen years, his father. When a psychotic NSA agent whistles up a pack of blood-thirsty mercs to steal back the diabolical cargo, Ben must stand his ground and rally his Smith Island neighbors to the fight. If he loses, it could be the opening skirmish of World War III.

"DEADRISE is a first rate thriller. So engaging that I could not put the book down... I highly recommend this to all fans of the genre."  
— Bill Jarblum, Feature Film Producer

## DEADRISE

A BEN BLACKSHAW NOVEL

ROBERT BLAKE WHITEHILL

"From the very first chapter it is clear that DEADRISE is a novel that takes you captive and won't let you go until the very end. Whitehill has done lovers of action and suspense a great service with this debut, and we thank him for it."

Cyrus Webb, Host of Conversations LIVE  
Editor-In-Chief of Conversations Magazine

"DEADRISE is a lethal page-turner. Fun and deadly! Recalls, for me, the activist frolic of Kurt Vonnegut and Edward Abby novels."

Michael Buckley, Host of Voices of the Chesapeake Bay, WRNR-FM, [www.VoicesoftheChesapeakeBay.org](http://www.VoicesoftheChesapeakeBay.org)

"DEADRISE is a sure hit...thrilling...engaging and one of those books you just can't put down."

Warren Lawrence, WKNY, Kingston NY

"DEADRISE is a cracking good tale of mysterious fortune combining irreverent characters, history driven invention, snappy dialogue, artfully managed conflicts, and startling surprises in a sensational count-down-style treasure hunt."

Anita Campos, [www.BlueCrabsHon.com](http://www.BlueCrabsHon.com)

DEADRISE is Available at [www.Amazon.com](http://www.Amazon.com), [www.BN.com](http://www.BN.com), Paperback and all E-Book Formats [www.robertblakewhitehill.com](http://www.robertblakewhitehill.com)
